The McLeodUSA Center...Coming Soon

\$4 Million Gift To Help Build New Sports Arena: McLeodUSA Center

The University of Northern Iowa announced receipt of the largest gift in the institution's 124-year history on July 25, 2000. Clark and Mary McLeod, on behalf of McLeodUSA, will donate \$4 million to help build a new sports arena on the UNI campus.

According to UNI President Robert D. Koob, this is the lead gift to support construction of the \$15 million McLeodUSA Center, which will become the primary performance venue for UNI intercollegiate men's and women's basketball, volleyball and wrestling. After just 12 months of fundraising, the facility has already secured over 50 percent of the necessary financial backing.

"This arena will be the first visible element of a collaboration between UNI and McLeodUSA to promote student excellence," said Koob. "Other elements of this collaboration may include internships, technology enhancements, scholarships and other opportunities."

"UNI is committed to its students and to serving the state of Iowa," said Clark McLeod, chairman

and chief executive officer, McLeodUSA. "We have a similar commitment. Our future growth will depend on our ability to attract and retain people who are willing to grow, who value relationships, and who have the passion and commitment to be the best they can be. Iowa needs to keep these people here in the state. We see this gift as an investment. It's an investment in the University of Northern Iowa and it's an investment in future opportunities for all Iowans."

According to UNI Athletic Director Rick Hartzell, the arena will contain approximately 5,000 to 6,000 seats and will be located on the campus's west side, near the UNI-Dome and

Wellness/Recreation Center. Once funds are secured, construction is expected to take approximately 24 to 36 months.

"UNI has some of the best student athletes, coaches and teams of any institution in the Midwest," said Hartzell. "What we don't have is a facility to match our people in these programs. The McLeodUSA Center will be one of the best of its size in the nation; an outstanding facility in which to showcase our quality student athletes and athletic programs."

The McLeod gift also is the lead gift to the UNI Foundation's \$75 million "Students First" campaign – the next phase of a recent, highly successful scholarship campaign that exceeded its goal, raising \$14 million. The new, broader "Students First" campaign will focus on scholarships, academic programs and facilities.

"This facility will serve the communities of the Cedar Valley," said Bill Calhoun, UNI vice president for Advancement and president of the UNI Foundation. "Similar to the Gallagher-Bluedorn Performing Arts Center, the McLeodUSA Center will be another result of a successful private/public partnership between UNI and the Cedar Valley."

New construction covered by the Students First campaign will include the McLeodUSA Center; R.J. McElroy Hall, the university's new early childhood education facility on the Allen College campus, in Waterloo; and a human performance center. Facilities needing renovation or equipment are Russell Hall, Lang Hall and McCollum Science Hall.

According to Calhoun, the official campaign kickoff will take place in 2002. The university's last major campaign ended in 1995, raising more than \$33 million, and exceeding its goal of \$25 million.

2001-02 Outlook & Coaches

Already the owner of a school-record 83 coaching victories, Tony DiCecco needs 17 wins to reach 100 for his career.

2001-02 Outlook

2001-02 Panthers Look To Raise the Bar With NCAA Bid AFTER FIRST WNIT APPEARANCE, 10 LETTERWINNERS RETURN WITH HIGH HOPES

If you thought the University of Northern Iowa women's basketball program was going to rest on the laurels of its WNIT appearance from last year, think again.

UNI's 2001-02 team will feature a pair of new starters and a 13-game road trip to start the season, but for head coach Tony DiCecco, the optimism heading into the winter has never been higher.

"We've talked to our team about what has taken place and we feel there is a new era in women's basketball at UNI," said DiCecco. "Getting the opportunity to play in the WNIT was the culmination of a lot of kids who put a tremendous amount of effort into this program.

"I think we've got some great talent and some great kids. Are they going to raise the program another step higher and win a Valley Championship and get to the NCAA's? I'm seeing a lot of interest in our kids that that's the route they want to go and make a mark now. I think these kids want to take it to a whole another level."

Replacing four-year starters Kary Dawson and Nikki Spettel is the biggest task at hand. Dawson led the Panthers in scoring last year while running the offense from the point guard position, while Spettel was the team's defensive leader at the power forward slot.

"I don't think there's any question we have some key people coming back, but we also have some people who were instrumental in the success of UNI women's basketball in the past that are no longer with us," noted DiCecco.

BACKCOURT

No.	Name	Ht.	Yr.	PPG	Hometown
10	Kara Opp	5-9	Jr.	2.2	Urbandale, IA
21	Fran Reis	5-9	Sr.	1.7	Perry, IA
22	Angela Bock	5-7	So.	1.7	Lone Tree, IA
30	Amanda Hartzell	5-10	So.	---	Cedar Falls, IA
32	Emily Berry	5-8	Fr.	---	Cedar Falls, IA
35	Nadine Brandt	5-8	Sr.	6.2	Tracy, MN
42	Katie Miller	5-10	Jr.	7.8	Solon, IA
44	Amy Swisher	5-10	So.	12.9	Cedar Falls, IA

The Panther backcourt is loaded with experienced shooting guards and small forwards, but will open without a battle-tested point guard.

Sophomore Angela Bock and redshirt freshman Emily Berry are in the battle for the starting point guard position left vacant by the graduation of Kary Dawson and Jill Seidl.

Bock is a lightning-quick guard with the ability to score from anywhere on the court. Berry is more of a consistent distributor who can knock down the open shot and clamp down on the defensive end.

"I think probably both but at least one of those kids are going to emerge as a better communicator and have the organizational skills that you need from your point guard position," said DiCecco.

"You're looking at two kids that really possess a lot of different skills. Angela has extreme quickness with the ball and getting her shot off. She's so athletic.

"Emily has great ball skills and has a great knack for getting people involved, which is a strong point. Our point guard has to have the ability to communicate with our players and get our team in their offensive sets and run them efficiently," DiCecco concluded.

Whoever is running the point will have plenty of scoring options nearby at the "2" and "3" positions.

Leading the way are shooting guards Kara Opp and Nadine Brandt. Opp ranks as UNI's top individual defender and has worked diligently to improve her offensive capabilities. She averaged 2.2 points a year ago while starting all 29 games.

"Kara Opp has emerged as one of the better defenders in our league, especially from a one-on-one standpoint," said DiCecco. "I think she creates problems for opposing players that need to have the ball in their hands."

Brandt brings unlimited range to the Panther perimeter and feeds the post as well as any team member. The Valley's leading active three-point shooter entering the season, she already owns the UNI mark with 162 trifectas in her career.

Last year she came off the bench to average 6.2 points in just 15.0 minutes her game following a torn ACL that caused her to miss the entire 1999-00 campaign.

"I don't think there's a better three-point shooter in the league, and probably Midwest, than Nadine," said DiCecco. "She creates problems for teams that have to play her range and she is very good at feeding the post to get Abby Schutte the ball."

Katie Miller

Abbi Schutte (2) and Amy Swisher (44)

Senior Fran Reis also figures to be in the mix in the UNI backcourt. Reis has played both point and shooting guard during her stay at UNI and gives DiCecco another weapon off the bench who can both score from the outside and play solid defense.

Sophomore guard Amanda Hartzell will sit out as a transfer.

At the small forward spot, junior Katie Miller and sophomore Amy Swisher will be counted on heavily on the offensive end, as both are proven scorers at the collegiate level with the ability to post up inside or drain the three-pointer.

Miller was named Missouri Valley Newcomer of the Year in 1999-00 and appeared to be on the verge of stardom before an inconsistent sophomore season.

Swisher earned immediate accolades on the Valley's all-Freshmen squad a year ago after averaging 12.9 points per game despite coming off the bench for UNI's first 20 games.

"In our system, there's not a lot of difference in our two and three position," said DiCecco. "I'm excited with where we are in those positions. I think we've got some depth and are very skilled in those positions both offensively and defensively. Because of where we are at our point guard and four positions, we're going to need that to take place.

"Katie Miller struggled a little bit last year but I thought she's had a great summer and has done a really good job preparing herself for her junior year.

"When you take a look at what Amy Swisher did last year, she's going to be better this year. She'll have more knowledge and knows what the league is about. She's so strong and has already broken our strength records. She's got that knack for scoring and can create and finish a shot."

FRONTCOURT

No.	Name	Ht.	Yr.	PPG	Hometown
2	Abbi Schutte	6-4	Sr.	13.7	Sibley, IA
40	Jess Boline	6-2	Jr.	0.6	Bettendorf, IA
43	Katie Sorrell	6-4	Jr.	3.0	Winfield, IA
45	Alex Cook	6-0	Fr.	---	Decorah, IA
51	Kate Cline	6-1	Jr.	2.2	Elgin, IA
53	Amy Helle	6-3	Fr.	---	Hopkington, IA

The UNI frontcourt returns four letterwinners and also welcomes a pair of players who have yet to don a Panther uniform.

Competing in the battle to replace power forward Nikki Spettel are junior Kate Cline and red-shirt freshman Alex Cook.

"I think the four spot is our most exciting position," said DiCecco. "We've got kids like Kate Cline and Alex Cook who had great off-seasons and both did a great job in the weight-room and with skill development."

Cook is an athletic forward who can run the floor and handle the ball. Though she may be a bit undersized in the post, a strong work ethic and understanding of the game should make her a valuable contributor.

"Alex Cook is very mobile and can run the floor as well as any power forward in our league, but she is a redshirt freshman," said DiCecco. "She gained a lot of experience in our practices last year going against Nikki (Spettel) and Kate."

Cline started 13 games as a freshman two years ago and is another mobile post player. Cline spent much of her summer improving her jump shot and interior post moves.

"Kate is really improved," said DiCecco. "She's improved her shooting, rebounding and defense. She now has the ability to play the four spot and in times of need can play the five spot as well. I'm a little apprehensive from a defensive standpoint because Nikki was so good, but I think both of those kids will rotate at the four and we will get a lot out of them."

Anchoring the UNI offense in the middle will be senior center Abbi Schutte. Schutte was a first-team all-MVC performer a year ago and is in top condition after full recovery from an ACL injury that sidelined her two years ago.

"Abbi is one of the premier post players in the league," said DiCecco. "She's really made an enormous jump in her game. The knee is fine and she's got great strength right now. She's a big body that can run the floor and is as fit as she's ever been right now. You hope that's a real positive for our team. She can't play all 40 minutes so you hope to have some kids you can rotate with quality time at that position."

Among those in the mix for the role of Schutte's backup are juniors Katie Sorrell and Jess Boline and true freshman Amy Helle.

Sorrell showed promise early last season before undergoing season-ending ankle surgery in

Kara Opp

December. Though dogged by injuries in recent years, when she has been healthy she's provided a lift off the bench.

"Katie Sorrell will be coming back from her injury, so we're excited about that, but in essence she hasn't played in almost two years," said DiCecco.

Junior Jess Boline showed the most improvement of any UNI player this summer. Boline, who doubles as record-setting discus thrower on UNI's track squad, has expanded her offensive game while also bolstering her position in the post.

"We've had a real positive development with Jess Boline. She really dedicated herself to becoming a better player and spent a lot of time on it. We hope she can carry it on to a five-on-five standpoint," noted DiCecco.

UNI's lone freshman recruit, Amy Helle boasts great hands and intelligence but remains a raw, unproven freshman at the Division I level.

"Amy Helle is a freshman and we really like her attitude and willingness to learn," said DiCecco. "Being around Abbi and the others will be a real positive for her."

Heading into the winter, one of the biggest concerns for DiCecco is a 13-game road trip that finds UNI on the road until early January.

"A lot of people look at our schedule as a negative, but I think the only negative is the inability of our fans to get the opportunity to see us early," said DiCecco.

"I really believe that our schedule gives us the possibility of developing some toughness in our kids. I think that playing and winning on the road is one of the toughest things to do in basketball. I think our kids will get better and understand what it takes to win on the road. In the development of a young point guard, I think being on the road has the potential of making it better for us.

"There's no question we have got to figure out a way to get prepared for the league. I think the league is as good as it's ever been from top to bottom. I think there are a lot of teams with the poten-

tial to reach the postseason."

Developing a deep bench will be a point of emphasis early in the season for DiCecco and company. "It's so important to develop depth. It'll be a challenge, but there are a lot of kids in our programs who took this summer and made a big difference in their games with their skill development part."

To develop a winning start on the road, DiCecco knows that a strong defensive mentality is a necessity. For starters, look for UNI to employ more of a team defensive effort that includes more helping and a more concerted emphasis on rebounding.

"The past couple years through graduation we've lost some of the best individual defensive players in the league. Last year we lost Nikki Spettel, so that's a big question in what we're going to do to fill that position. What we're hoping is that we can play better team defense where we can play better help and strong-side defense.

"We think we're going to be a better rebounding team. But when you take a Kary Dawson and Nikki Spettel out of the line-up, who had played so many minutes, those are two positions that we need to fill."

The loss of two four-year starters and a 13-game road trip to open the year may make things difficult initially, but in the long run both will make the Panthers a better team heading into the rigorous Missouri Valley Conference schedule.

Last year's initial appearance in the WNIT may have set the standard, but the 2001-02 UNI team will look to raise the bar another level with the team's first-ever NCAA Tournament bid when mid-March rolls around.

15,000 mark in total attendance. The Panthers recorded their first home sellout when they packed in 2,225 fans in the West Gym for a showdown against Iowa State.

Tremendous ticket demand for last year's battle vs. Iowa State forced the game to be moved across the street to the UNI-Dome, where 4,048 fans attended.

During DiCecco's tenure the team has added live radio and Internet broadcasts of all games on 1650 KCNZ-AM and the weekly Tony DiCecco Radio Show, hosted each Monday night during the season at Famous Dave's Bar-B-Que in Cedar Falls. Home crowd support has grown from an average of 267 fans per game before his arrival to 1,549 in 2000-01 and has averaged more than 1,000 fans per game during the past three seasons.

DiCecco, the sixth coach in Northern Iowa's 33 completed seasons of women's basketball, also surpassed Wanda Green last season to become UNI's all-time winningest coach. He enters his seventh year with 83 wins.

DiCecco's focus is not simply on-court X's and O's. He's also concerned with the development of his players as young women, and strives to create a close-knit atmosphere among his team.

"Our kids are very close. Our staff is very close," he said. "These four years are very important ones for development for college players. Mom and Dad aren't around a lot, and it's a very big time for growth and development of adult habits and family habits. We try to create a family-type atmosphere where our kids can feel comfortable in coming to us with problems or excitement."

At Northern Iowa, DiCecco has had 19 players named to the Missouri Valley Conference Academic All-Conference teams.

"Our number one objective is to make sure that our girls graduate. We do everything in our power to make all UNI's resources available to our student-athletes."

The program's assistant coaches work closely with the Academic Advising staff to monitor the academic progress of all players in the program. All incoming freshmen, any player with a grade point deemed too low, and any player who wants organized study time are able to work at organized study tables to seek help.

"We feel the adjustment from high school to college academics is something kids probably need help with. We feel it's very beneficial for all our freshmen to come in and gain an understanding about study habits. We also feel that if you prove yourself in the classroom, study table is not mandatory. However, if the grade point falls

- West Central of Maynard (IA), Assistant Coach, 1971-73

The winningest women's basketball coach in UNI history, Tony DiCecco enters his seventh season focused on surpassing last season's WNIT appearance and reaching the 2002 NCAA Tournament.

Last season saw UNI defeat a pair of ranked teams (#24 Illinois and #13 SMS) and shatter single-season and single-game attendance marks, in addition to a fourth consecutive winning season.

The revival of the program under DiCecco in his first six years has been nothing short of remarkable.

In his first four years, DiCecco rejuvenated a struggling program that went 4-22 the season prior to his arrival to a 19-8 mark in 1998-99. Along the way, he improved the Panther victory total by at least three each season.

Perhaps his best coaching job was with a 1999-00 squad that was besieged by injuries, yet still went 15-13 and upset Wichita State for the first MVC Tournament victory in program history.

Last season Northern Iowa opened league play with six straight victories while finishing in third place, matching their best effort ever. The Panthers also reached a milestone when they qualified for the WNIT last year for the first time.

In addition to his success on the court, DiCecco has become a beloved figure respected and admired by his coaching peers, the UNI campus, and the entire state of Iowa. A popular and entertaining speaker, he spends countless hours travelling the state promoting women's basketball and Panther athletics while speaking to boosters, schools and businesses.

The non-stop promotion of women's basketball in the Cedar Valley by DiCecco, his assistant coaches, and players has helped shatter school attendance records three of the past four seasons. In 1998-99, the Panthers broke every attendance record possible, as they topped the

below what we feel is acceptable, then we have study table to fall back on."

DiCecco is a 1971 graduate of Upper Iowa University in Fayette, Iowa, where he played collegiate baseball. He arrived at UNI from Creighton University, where he served as an assistant coach for six seasons. During his tenure at Creighton, the Lady Jays compiled a 122-52 record, including two regular-season Western Athletic Conference (WAC) championships, one WAC Tournament Championship and two NCAA tournament appearances. Nine players were named first-team All-Missouri Valley Conference or All-Western Athletic Conference during his time with the Lady Jays.

Prior to his arrival at Creighton, DiCecco was the head girls' basketball coach at Montezuma High School in Montezuma, Iowa. He compiled a 306-69 record, including eight conference, 10 sectional and two regional championships. His teams made two Iowa State Tournament appearances.

In addition, he served as the head girls softball coach from 1974-86 at Montezuma and coached at West Central High in Maynard, Iowa from 1971-73. His 1973 team finished third in the Iowa State Softball Tournament. He taught physical education and social studies at a variety of levels at both Montezuma and West Central.

DiCecco, a native of Niagara, NY, resides in Cedar Falls with his wife of 32 years, Kristi.

DiCecco Year-by-Year Summary

Tony DiCecco's Year-By-Year Summary at UNI

1995-96 (7-20, 6-12 MISSOURI VALLEY, 8TH PLACE)

DiCecco inherits a 4-22, last-place team and closes the season with a school-record six MVC wins. It's a difficult beginning, as UNI opens 1-12 and 2-16 before winning five of the final nine contests. UNI lands four players on the MVC All-Academic team.

1996-97 (10-16, 5-13 MISSOURI VALLEY, 9TH PLACE)

After opening 2-3, UNI picks up a 74-73 victory over in-state rival Iowa State to start a three-game winning streak and finish with a 5-3 non-conference record. UNI wins just two of its final eight games and misses the MVC Tournament by two games, but the 10 wins tie for the most in a season since 1982-83, UNI's first in Division I. Kelley Westhoff is named all-MVC honorable mention after leading the league in assists, and she is also one of six Panthers named to the league's All-Academic team. Allison Starr is named to the MVC's all-Freshman team.

1997-98 (14-13, 8-10 MISSOURI VALLEY, 7TH PLACE)

UNI gets its first winning season since 1982-83, while winning a school-record eight conference contests. UNI opens the season 6-1 and makes the conference tournament for the second time in three years. Four players are named to the MVC's All-Academic team, and sophomore Allison Starr is named first team all-MVC and all-Defensive. Freshman Nadine Brandt is named to the league's all-Freshman team. UNI breaks attendance records with 6,793 fans overall and an average of 618 per game.

1998-99 (19-8, 12-6 MISSOURI VALLEY, 3RD PLACE)

The Panthers improve their victory total under DiCecco by at least three for the third time in as many years, finishing 19-8 overall and 12-6 in the Missouri Valley Conference. Junior Allison Starr repeats as first team all-MVC and all-Defensive, while sophomore Barb Bennett becomes the first player in MVC history to be named all-MVC honorable mention despite not starting a game. DiCecco finishes second in the league's Coach of the Year voting, while Nikki Spettel is named all-Academic honorable mention. In a year that six teams from the MVC make the postseason, UNI's third place-finish is inexplicably overlooked by the committee and they stay home. The Panthers break every attendance record possible, including a sellout crowd of 2,225 that packed the West Gym for Iowa State. UNI's season-average of 1,155 fans is nearly double the previous record of 618 fans per game set the previous year. KCNZ Radio broadcasts all 27 games live, while also adding the weekly Tony DiCecco Radio Show.

1999-2000 (15-13, 10-8 MISSOURI VALLEY, 5TH PLACE)

Northern Iowa picks up its' first-ever MVC Tournament victory in a season that will be remembered for the play of Allison Starr and numerous injuries that plagued the Panthers. Starr closes her stellar career with her third-consecutive all-MVC and all-Defensive selection and is also named MVC Defensive Player of the Year while setting new Panther records for points and rebounds in a season. Starr was also named to the league's All-Academic squad. Nikki Spettel joins Starr on the league's all-Defensive team, while Katie Miller used a MVC-record 53 consecutive free throws late in the season to get named MVC Newcomer of the Year. Injuries sideline Nadine Brandt, Ky Petersen, Katie Sorrell and Abbi Schutte for the season, while starters Kary Dawson, Kara Opp and Nikki Spettel all missed portions of time as well. Late-season wins with just eight players in uniform over conference leaders Wichita State and SMS are among the year's highlights.

2000-01 (18-11, 12-6 MISSOURI VALLEY, 3RD PLACE)

Wins over #24 Illinois and #13 Southwest Missouri State highlight a season that includes UNI's first post-season bid since joining the Division I ranks. UNI opens 5-3 against a schedule featuring six postseason teams from the previous year, including #24 Illinois on regional television that was the Panthers' first over a ranked team since 1976 and helped the Panthers garner votes in the Top 25 poll for the first time ever. With demand for UNI women's basketball tickets at an all-time high, the UNI-Iowa State game was moved across the street to the UNI-Dome, where a record 4,048 fans turned out. UNI won its league opener for the first time since 1986 en route to a 6-0 start in MVC play. A triangle-and-two defense helped limit national scoring champ Jackie Stiles to 39 points as UNI beat #13 SMS 99-80 in the West Gym, handing the Lady Bears its most lopsided loss of the year in a Final Four season. For the second straight year, UNI eliminated Wichita State in the first round of the MVC Tournament before falling in a rematch vs. SMS. The WNIT then invited UNI to its first postseason bid ever, where UNI fell at DePaul, 76-73 in overtime. Kary Dawson and Abbi Schutte were both named first-team all-MVC, while Amy Swisher was picked to the all-Freshman team. Nikki Spettel repeated her all-Defensive team honor after amassing an amazing 47 charges during her final year. In addition, DiCecco becomes UNI's winningest coach ever and ends the year with 83 wins.

Brad Nelson Assistant Coach

Brad Nelson is in his second season as an assistant coach with the Northern Iowa women's basketball program. Nelson returns with a promotion to recruiting coordinator in 2001-02. He also retains his role as scheduling coordinator and works with the Panther post players.

Nelson served as assistant head coach at Cedar Falls High School from 1997-99, helping the team to back-to-back Iowa State Tournament semifinal appearances. His 1998-99 team set an Iowa state record by averaging 85.9 points per game and finished 23-3. That squad, which contained current Panther players Amy Swisher and Emily Berry, was nationally-ranked by *USA Today* for its first time in school history as well. Nelson also coached another Panther freshman, Alex Cook, when she was at Cedar Falls High.

Prior to working at Cedar Falls High, Nelson served as an assistant coach at St. Ambrose University in 1995-96, where his team won regular-season and conference tournament championships while advancing to the NAIA Division II national quarterfinals.

While earning his Business Management degree from the University of Oregon, Nelson was head manager for the Ducks' men's basketball team from 1990-94. While in Eugene, he spent two years working under former Tennessee coach Jerry Green, and two years under 1981 National Coach of the Year Don Monson.

Nelson's wife, the former Jenny Sandvold, coached with the UNI women's basketball program as a graduate assistant from 1995-97. The couple has one daughter, Bailey, and identical twin boys Jacob and Brandon.

Kelley Westhoff Assistant Coach

After a year away from basketball, Kelley Westhoff returns to the UNI bench as an assistant coach for the fourth time in the past five seasons.

Westhoff was previously a member of DiCecco's staff at UNI as a graduate assistant coach in 1997-98 and 1998-99 before her promotion to full-time assistant in the 1999-00 campaign.

She will work with all facets of team travel, NCAA compliance, UNI's summer employment program and coach UNI's point guards. She will also aid in off-campus recruiting, scouting, and fund-raising and public relations events in the community.

Westhoff remains one of the great players in UNI's history. A 1997 graduate of UNI, Westhoff was a four-year letterwinner and co-captained the team her junior and senior seasons. She set five school records in her time, including assists in a game (13), season (180) and career (475). She also owns the standard for assists per game in a season (7.20) and career (4.57).

A two-time all-academic selection by the Missouri Valley Conference, the Dubuque native earned All-Missouri Valley Conference Honorable Mention honors in 1996-97.

As a prep at Dubuque Wahlert High, Westhoff set school records for assists and steals and was selected to both the Iowa All-Star team and the Iowa Select team her senior season. She ranked second in the state in assists her senior year at Wahlert and was named to all-conference and all-area teams.

Westhoff resides in Cedar Falls.

Allison Starr Assistant Coach

Now in her second season on the Panther bench is assistant coach Allison Starr. She will be in charge of UNI's academic monitoring, summer camp operations, facility liaison, handling of UNI's 2's and 3's and coordinate film exchange. She will also aid in scouting, fund-raising and public relations events in the community. Last season she worked closely with UNI's perimeter players, including all-MVC guard Kary Dawson and all-Freshman honoree Amy Swisher.

One of the best all-around players in MVC history, Starr competed from 1997-2000 as the centerpiece in the rejuvenation of UNI basketball under Tony DiCecco.

In 1997 as a freshman, she was named to the Missouri Valley Conference's all-Freshman team. Her final three years, she was named all-MVC first team and to the Valley's all-Defensive Team.

Starr had arguably the greatest single-season in UNI history in 1999-00, leading the Panthers in steals and assists while setting new school records for points and rebounds in a season. A runner-up to Jackie Stiles for the league's Player of the Year award, she was named the Valley's Defensive Player of the Year as well. A mark of consistency, Starr reached double-figures in the scoring column all but one game her senior year.

Starr capped her career with a school-record 96 consecutive starts, and also finished second in UNI history with 1,463 points, third with 711 rebounds, second with 274 steals, fifth with 278 assists and as the school record holder for free throws made, free throws attempted, offensive rebounds, defensive rebounds, double-doubles and steals per game.

Perhaps her most memorable game was a 25-point, 22-rebound and seven-assist effort in a win vs. Wichita State, including the game-tying lay-up at the buzzer that sent it into overtime during her senior season.

Starr is a native of Wellsburg, Iowa, where she was a state champion long jumper and three-time conference MVP in basketball.

She resides in Cedar Falls.

2000-01 Year in Review

The 2000-01 Northern Iowa squad was the school's first to advance to postseason WNIT play.

2000-01 UNI Recap

The UNI women's basketball team continued its march among the top schools in the Midwest in 2000-01, finishing third in the Missouri Valley Conference and reaching the postseason for the first time since joining the Division I ranks in 1982-83.

Facing a challenging non-conference schedule loaded with six teams that advanced to the postseason the previous year, UNI established themselves with a strong 5-3 mark to open the season. After a season-opening road win at Western Illinois, UNI opened their record-setting home season with an eight-point win over Wisconsin-Green Bay.

UNI then took their show to California, where they beat Marquette before falling to the host school at the St. Mary's College Thanksgiving Classic. UNI improved to 5-1 on the year when they beat #24 Illinois, 73-70, on Dec. 2 in Cedar Rapids in a game televised throughout the Midwest on Fox. The win resulted in UNI receiving votes in the top-25 poll for the first time ever and was UNI's first win over a ranked team since 1976.

The Panthers closed the preseason schedule with a one-point overtime loss at Brigham Young and a 24-point home loss in the UNI-Dome to Iowa State before 4,048 fans--a UNI record.

UNI got another monkey off its back on Dec. 30 when they defeated Indiana State, 64-49 in Terre Haute. It marked UNI's first conference-opening victory since 1986 and spurred UNI to its best-ever league start at 6-0. The Panthers had never previously started even 2-0 in league play.

UNI took its perfect 6-0 MVC start to second-place Southwest Missouri State in late January for an MVC Game of the Week against the 14th-ranked Lady Bears. UNI trailed by just three late in the first half before Jackie Stiles took over, finishing with 49 points in a 90-81 win for the Lady Bears. Despite the loss, it marked the closest home game of the year for SMS.

Abbi Schutte earned first-team all-MVC honors for UNI last season

Kary Dawson was a first-team all-MVC pick last year and finished as UNI's sixth-all-time leading scorer

UNI went just 2-3 in its next five games before a rematch with the Lady Bears in the West Gym. UNI unveiled a triangle-and-two defense to hold Jackie Stiles to 39 points and went on to a 99-80 win, as three different players scored 25 or more for UNI. The win over the #13 Lady Bears was not only the highest ranked team UNI had ever beaten but also was SMS's worst loss of a season that took them to the Final Four.

After falling in road games at Creighton and Drake, UNI closed the home season with wins over Indiana State and Illinois State. UNI would finish the season with a record 18,588 fans, including an average of 1,549 fans per game. Their 10-1 West Gym home record was blemished only by an overtime loss to Drake and was tied for the second-most home wins ever at UNI.

For the second time in as many years, UNI defeated Wichita State in the opening round of the MVC Tournament with a 78-67 victory. UNI was routed in the tournament semifinals, 86-54, by SW Missouri State.

The loss in the MVC Tournament wasn't the end though, as UNI secured its first-ever WNIT bid two days later. The Panthers were sent to Chicago to face DePaul, where they fell 76-73 in overtime.

Numerous Panther players earned recognition from the league. Former high school teammates Kary Dawson and Abbi Schutte both earned first-team all-MVC honors after leading the Panthers in scoring. In addition to taking the team's scoring title, Dawson also led the squad in assists. Schutte ranked among the MVC leaders in field goal percentage, rebounding, blocked shots and scoring in her first full season in a UNI uniform.

Amy Swisher made an immediate impact and was named to the MVC's all-Freshman team. Swisher averaged 12.9 points per game while coming off the bench for all but UNI's final nine contests.

Nikki Spettel was named to the MVC's all-Defensive team after ranking among the leaders in steals and rebounding. Spettel also ranked second nationally with an astounding 47 charges taken, including a high of five in one game.

The Missouri Valley Conference

The new millennium brings challenges for college sports programs, but the Missouri Valley Conference continues to lead by example as one of college athletics' most progressive conferences. Now in its 95th year of existence, the Missouri Valley Conference emphasizes the importance of the student-athlete and is aggressive in its approach to provide opportunities for its member institutions.

Since its inception in 1907, the Missouri Valley Conference has been regarded as a leader by its peers among today's collegiate athletic conferences.

Based in St. Louis since 1985, the Conference has been aggressive in the approach to playing host to NCAA basketball championship events, producing a revenue-generating in-house television network, bidding out the right to play host to several sport championships and landing title sponsorships for those events.

Under the direction of J. Douglas Elgin, the ninth commissioner in Valley history, The Valley has played host to the 1993, 1998 and 1999 NCAA Division I Men's Basketball Midwest Regionals and the 2001 NCAA Division I Women's Basketball Final Four. In fact, The Valley plays host to three NCAA men's basketball events in the next four years.

On June 25, 1998, The Valley and the St. Louis Local Organizing Committee were tabbed by the NCAA Division I Men's Basketball Committee to play host to the 2005 Final Four (April 2 and 4) at the Trans World Dome. Along with the 2005 award, The Valley will serve as host for the 2004 Midwest Regional at the Dome.

On Dec. 17, 1998, The Valley and the St. Louis Local Organizing Committee were awarded by the NCAA Division I Men's Basketball Committee the 2002 First/Second Rounds of the South Regional (March 14 and 16) at the Trans World Dome. It will be the first time The Valley will serve as a first- and second-round host.

The oldest athletic conference west of the Mississippi River, The Valley has been cutting edge in the area of its television network.

Beginning in 1993-94, The Valley took its television network in-house and began to produce, syndicate and sell a televised package of regular-season and tournament events for distribution on local broadcast and national cable networks.

The Valley Television Network includes a package of more than 30 men's and women's basketball games and selected other tournament championship events that air on ESPN, ESPN2, Fox Sports Net, and on statewide cable systems and local broadcast stations throughout the Midwest.

Starting in 1995-96, the Conference broke new ground by bidding out the right to play host to its volleyball, women's basketball, softball, men's and women's soccer and baseball championships. By establishing uniform host criteria, the Conference is able to assist a host institution in a season-long promotional campaign and provide an avenue where hosts can acquire a title sponsor and achieve a profit for the event.

The seeds for this vision were planted by eight administrators representing five institutions, who gathered at the Midland Hotel in Kansas City, Mo., on Jan. 12, 1907. The five schools which formed the Missouri Valley Intercollegiate Athletic Association were Washington University of St. Louis, and the state universities of Iowa, Kansas, Missouri and Nebraska. Two months after the initial meeting, two more schools -- Drake University and Iowa State College -- were admitted.

In the fall of 1907, basketball became the first competitive sport. Today, the Missouri Valley Conference sponsors the following sports: baseball, men's and women's basketball, men's and women's cross country and track (indoor and outdoor), men's and women's golf, men's and women's soccer, softball, men's and women's swimming and diving, men's and women's tennis and women's volleyball.

This season, the league will conduct its 91st outdoor track and field championship, its 84th tennis championship, its 48th baseball tournament and its 64th golf championship for the men. Those programs, plus other current sponsored sports of cross country (43 years), indoor track (35), soccer (11) and swimming and diving (8), have helped solidify the Missouri Valley Conference as one of the most respected conferences nationally.

Athletic accomplishments on the men's athletics side include four national basketball championships, 17 trips to the NCAA Men's Basketball Final Four and a 1989 national baseball championship. In 2001, Southwest Missouri State added to The Valley women's accomplishments, as the Lady Bears advanced to the Women's Basketball Final Four in St. Louis.

The inclusion of women's programs under the Valley banner -- the nation's second-oldest collegiate athletic conference -- has provided an immediate boost. The Gateway Collegiate Athletic Conference -- which began in 1982 -- merged with the Missouri Valley Conference and was unveiled as part of the new conference on July 1, 1992.

The 2000-01 academic year was, arguably, one of the greatest seasons in the history of The Valley. The league received a total of four at-large bids to NCAA championships -- two in men's soccer and one each in men's and women's basketball.

In men's soccer, Bradley, Southern Methodist and Creighton represented The Valley in the NCAA Tournament, but it was the Bluejays who reached the national championship game against Connecticut. In women's basketball, SMS captured the NCAA West Regional while advancing to the national semifinals against Purdue. In men's hoops, Indiana State defeated Big 12 Tournament champ Oklahoma in the first round of the NCAA South Regional.

The Valley also continued to cement its claim as one of the premier baseball conferences. Since 1980, 40 Valley teams have played in the NCAA Tournament, with nine of those teams advancing to the College World Series in the last 17 years.

Bradley became the first league team to play in the CWS in 1950, while Wichita State, which captured the NCAA title in 1989, has now represented The Valley in 14 of the last 15 NCAA baseball tournaments and reached the College World Series in six of the last 13 seasons. Former Wichita State greats Carter (1981) and Darren Dreifort (1993) were named collegiate Players of the Year.

The Valley has also produced national-caliber student-athletes in its other sponsored sports. In 2001, SMS's Jackie Stiles became the first Valley woman to earn the Honda Award, given to the nation's top female collegiate student-athlete.

In addition to the seven national sprint titles won by Indiana State's Holli Hyche in the 1990s, Southern Illinois' Darrin Plab won back-to-back NCAA outdoor high jump titles in 1991 and 1992. In fall of 1997, Creighton's Johnny Torres was named the collegiate male soccer player of the year for a second-straight year.

This is UNI

UNI has ranked second in Midwest top public comprehensive universities by U.S. News and World Report for five consecutive years.

University of Northern Iowa

University of Northern Iowa

Building on a strong tradition of teacher education, the University of Northern Iowa has evolved into one of the finest comprehensive public universities in the country. UNI emphasizes excellence in undergraduate education and offers selected graduate programs at the master's, specialist's and doctoral levels.

UNI's heritage and philosophy place great value on providing a student-centered educational experience. The university offers a learning environment that is small enough to provide students individualized attention, yet large enough to provide a variety of resources, including distinguished faculty.

Students First

Today, UNI offers more than 120 undergraduate majors. Outstanding academic programs, many of which are nationally-recognized for their excellence, have been established in the colleges of Business Administration, Education, Humanities and Fine Arts, Natural Sciences, and Social and Behavioral Sciences. In addition, UNI participates in the bachelor of liberal studies program offered by Iowa's Regent Universities and provides classes in centers around the state through the division of Continuing Education and Special Programs.

Recognized as the premier public undergraduate university in the state, UNI is experiencing an increasing demand for its high-quality programs. UNI enrollments have increased by nearly eight percent in the past five years. Enrollment at UNI was 14,070 students in the fall of 2001, the fourth consecutive year of record enrollments. Students come from every county in Iowa, 47 states and 76 countries.

The University of Northern Iowa was founded in 1876 as the Iowa State Normal School. It became Iowa State Teachers College in 1909. In 1961, the name was changed to State College of Iowa, and in 1967, the Iowa Legislature changed the status of the institution to that of a university under its present title.

REDEKER DINING CENTER OPENS TO RAVE REVIEWS

Students are raving about the renovated Redeker Dining Center. The 850-seat dining area's high-tech ambiance features an 11-foot-wide flowing water-wall sculpture and Internet access for diners. An eclectic mix of antique wood and modern stainless steel serving stations emphasizes the variety of food choices. And, a strategic traffic flow means no lines at the door.

Food stations provide a choice of cuisines from Mexican to Asian, from pizza to deli sandwiches and salads. A cappuccino bar is available, and a grab-and-go counter offers box lunches as part of meal-plan ticket choices. Meeting rooms and a performance area have been added as well.

While the dining area is the most obvious renovation, the entire building has been redesigned as a major center for the Department of Residence. Food preparation and storage areas, the bakery, the computer lab, and departmental offices have all been updated. In addition, a new convenience store has made its debut on the ground floor.

The UNI-Dome

One of the most recognizable landmarks in the state, the UNI-Dome has been hosting high-profile events since its construction in 1976 while gaining a reputation as one of the finest collegiate facilities in the country.

The Dome combines the features of a fieldhouse, football stadium and large auditorium. It contains accommodations for a variety of events such as concerts, exhibitions, trade-shows and convocations in addition to football, basketball, softball, wrestling and track events. It has been host to the NCAA football playoffs, gymnastics and wrestling championships, high school football and basketball, the Iowa high school football playoffs, and was the site of the 1997 NCAA national wrestling championships.

The former air-supported, teflon-coated fabric roof was replaced in the summer of 1998 with a permanent structure. Although normal capacity is 10,000 for basketball, seating can be expanded to over 20,000.

The West Gym

Built in 1925 for a cost of \$180,000, the West Gym has been home to Panther Athletics since its construction 76 years ago. The building continues to receive annual renovations each summer. The UNI women's basketball team will play all but one of their home games in the West Gym this winter.

Among the improvements made to the West Gym in the recent summers are new bleachers, a new floor with new court markings, new lighting, and renovated locker rooms. The Panthers 28-7 over the past three seasons in the West Gym. Last year UNI was 10-1 in the friendly confines, with the only loss coming in overtime.

The Gym is also home to two of UNI's strongest programs traditionally; volleyball and wrestling. The Panther volleyball team finished the '90s with a 120-5 record at home, including a 50-match home winning streak from 1992-96, which ranks sixth in NCAA history. The Volleyball team entered the 2001 season with a NCAA-best 34 consecutive home wins.

In the two years since his appointment, the Panthers have celebrated outstanding performances in almost every sport. The volleyball team advanced to the NCAA Sweet Sixteen for the first time in school history in 1999, the wrestling team placed 11th in the NCAA Tournament, its highest finish since 1994, and crowned its first Division I national champion in 2000; while the men's track team has won both the conference indoor and outdoor titles. UNI's second-place finish in the Missouri Valley Conference All-Sports Championship race this spring was its highest finish ever in this competition. Other successes can be claimed across the board. In addition, UNI's student-athletes are graduating at a rate higher than the general student body.

Hartzell has been heavily involved in several facility upgrades, including the development of the McCleod USA Center, a new arena which eventually will house the men's and women's basketball programs, and volleyball and wrestling teams. Plans also are moving forward for a Human Performance Center that will house an athletics weight room, training rooms, team rooms, locker rooms and offices. The scope of the fundraising for UNI athletics has been widened under Hartzell's direction.

He also has stressed closer departmental involvement with the student body, and a new ticket package for the University community is one result of that interaction. The Panther Pass ticket package for UNI students enhances student involvement in the athletic program. Further, Hartzell completed departmental reorganization and a renewed outreach effort to the University and Cedar Valley communities.

Prior to being named at UNI, Hartzell had been at Bucknell since 1988, directing a Division I program with 1-

AA football consisting of 28 sports. Prior to his appointment at Bucknell, he was Director of Athletics and Chairman of Physical Education and Recreation at the University of Maryland-Baltimore County from 1985-88, directing a 19-sport program which moved from Division II to Division I during his tenure.

Adopt-a-School

Adopt-a-School

What began as a passing thought in Omaha, Neb. has grown by leaps and bounds into the University of Northern Iowa women's basketball program's "Adopt-A-School" outreach.

"It's based on an appreciation for what we, as coaches and student-athletes, are so fortunate to have," said Head Coach Tony DiCecco. "We're in the best position around to be able to express to these students the importance and the value of athletics and academics."

The Northern Iowa women's basketball team travels to elementary and middle schools to help students understand the importance of education and a substance-free lifestyle.

Rather than children "adopting" players, as so often happens in collegiate athletics, the women's team "adopts" schools, in a sort of role-reversal that reaps benefits for both groups involved.

"I think the program gives kids the chance to see that we take both athletics and academics seriously," said senior Nadine Brandt, herself an Elementary Education major. "Reading is important and without it, we couldn't get to where we are today"

The Panther players and coaches speak with elementary and middle school students about the importance of education and the dangers of substance abuse, among other topics.

"It's fun to see the kids be interested in a quality program that teaches not only academic, but life skills," said senior Abbi Schutte. "We both get a lot out of it."

Once the Panthers speak to the elementary and middle school-aged students, the entire school, including teachers and support staff, is invited to a women's basketball game.

Following most home games, the team meets with the fans and signs posters and fan-provided items.

The program's roots are in Omaha, where DiCecco was an assistant at Creighton University prior to taking the helm in Cedar Falls. While with the Lady Jays, he started a similar program in the Omaha metro area, which also met with success.

THREE PANTHERS EARN PERFECT 4.0'S AS WOMEN'S BASKETBALL BOASTS BEST TEAM GPA

Paced by three players who earned a perfect 4.0 GPA, the UNI women's basketball team led all sports with a 3.27 team GPA in the fall 2000 semester.

The women's basketball program proved that the previous fall's success was not a fluke, as they also ranked second in the spring 2001 semester. As a whole, the UNI women's basketball team owns a 3.25 cumulative GPA, with nearly 65 percent over the 3.0 GPA plateau.

Katie Miller, Kara Opp and Nikki Spettel all completed a perfect semester, and composed half of the six student-athletes campus-wide who achieved a 4.0 GPA. They were joined by wrestling's Jordan Holm, football's J.D. Rieber and men's track Grant Wesson.

Last year the Missouri Valley Conference bestowed honors on four different UNI players as the Prairie Farms/MVC Scholar-Athlete of the Week. Abbi Schutte was a two-time winner, while Jill Seidl, Nadine Brandt and Spettel were each honored once.

In addition, Schutte, Opp and Miller were all named to the MVC's Scholar-Athlete team following the season.

Success in the classroom at Northern Iowa is nothing new, as UNI led the Missouri Valley Conference in graduation rates according to a 1998 study done by the *Des Moines Register*.

UNI Travels The Country

The University of Northern Iowa women's basketball team has traveled all over the United States in the six seasons with Tony DiCecco as head coach. In addition to the on-court competition, the road trips offer entertainment and sight-seeing opportunities for the entire team. Last year included a Thanksgiving trip to California and visit to Provo, UT for the scenic Rocky Mountains.

This year's schedule takes UNI on a 13-game road trip to start the year, including three games in San Juan, Puerto Rico two games in Tennessee and non-conference road contests at Minnesota, Arkansas, Missouri, Wisconsin-Green Bay and Iowa State.
